

Girls Islamic Organisation, Karnataka- Is a state wide ideological Islamic organisation for girls. The aim of its origin is to bring virtuous awareness among the students and young women and to improve their personality for the reconstruction of the society in the light of Divine Guidance.

Our Focus: Young Women Compatriots

GIO focuses on promoting and establishing a collective gathering of young girls through which we can achieve exaltation in their Islamic wisdom and confirmation in thoughts. It strives to provide a better environment for its fellow compatriots to share their views and Islamic culture. We unanimously make constructive efforts to extricate ourselves from the superficiality of western culture which is having a dreadful impact on our system of life. We make comparative and critical analysis of non Islamic culture prevailing in the society. We study the views and thoughts of western culture for the welfare of the society. We strive to identify the current social problems and try to present an alternative cultured system for the same, a system which is essential for the present

burning issues of Humanity, a system of peace and justice which will prevail over every individual and all over.

Society

GIO strongly believes that mutual respect and trust is essential for the social and economic progress in a pluralistic society like ours. This is possible only when individuals of various religions and tribes understand each other and try to demolish the wall of misunderstanding through knowledge and information.

GIO strives on awakening the true concept of Islam in the daughters of Islam and also the conception of being a *Dayee*. It is trying hard to stop the wrong practices and clear the misconceptions against Islam. It also strives in preventing the society from all modes of innovations (*Biddah*) and ill-effects of materialistic thoughts.

Education

In the field of education GIO is making organised efforts to highlight the importance of moral values in education system and correct the education system in campuses. GIO is also making efforts to

provide a better academic atmosphere in the educational institutions. It encourages the students to become a better youth through education, than to just make it means of livelihood. Campuses should not become a place of moral decay but a place for building moral values.

Our Aims

- 1) To promote and cultivate true knowledge and understanding of *Deen* (Islam) among students and young women.
- 2) To prepare students and young women for leading their individual and collective life in accordance with Quran and Sunnah.
